Things We Have An Understanding About

Dress Appropriately

- At camp we are all a part of an environment where we are trying to remove distractions so that we can concentrate on what God has brought us there to do. Don't be a distraction by dressing inappropriately. Should you choose to draw attention to yourself by dressing inappropriately, you will be asked by a staff member to change clothes. If clothing continues to be a problem, you may be asked to return home.

Damages

- Be aware that you are personally responsible for all damages to any equipment and facilities including common areas and rooms. If damages occur, disciplinary action will be taken, and your group will be billed.

Campus

- Everyone is expected to attend all meetings. Do not leave the campus. Lights out means that all students should be in their rooms and lights should be out. NO GUYS in girl's rooms. NO GIRLS in guy's rooms.

Medication

- All prescription medication brought by students will be kept and administered by their youth pastor/leader. Area 1 will not be responsible for any prescription medications. Windermere Conference Center will have certified CPR trained staff and medical supplies for emergencies.
