THEME

ILLUMINATE

“For You light my lamp: The Lord my God illuminates my darkness” Psalm 18:28

I was blind but now I see! It is so easy, even for Christians, to be deceived by the things of this world. Only the Light of Christ brings us out of darkness and enables us to walk in the freedom of Truth. This year we are seeking to remove any blinders from our eyes, to move forward with a renewed passion, and walk confidently from a position based solely on the Word of God. Sometimes we don't know what we are missing... this summer we will find out!

Master illusionist, Harris III, will use your students on stage to help illustrate how easily deceived we can be. His teaching will incorporate illusions that are sure to captivate and transform your students. Don't be fooled though, these illusions are not just for entertainment. They will carry with them the weight of truth and are specifically designed to show the power of the Gospel over, and in, our lives.

SPEAKER

Harris III - His name is Harris, III (“Harris the Third”), and since receiving a magic set from his grandmother at the age of 9, he has been fascinated with magic, illusion and how easily the senses are deceived. At age 11 he gave his first public performance. Today, at the age of 27, he is a classically trained, award-winning, master illusionist, and an expert in the art of deception. He has performed before 1 million people in more than twelve nations on five continents. Harris’ performances not only amaze his audiences, but also awaken them to the lure of deception, the power of the senses, and the secret of living life based on deeper realities.

While Harris has earned respect as an artist to many, ultimately, he’s an equally respected communicator. Whether telling a story, speaking from his heart, or performing illusions, his ultimate goal is to inspire and challenge people, initiating change and transformation in Christ.

SPEAKER & HOST

Kiley Butler, President of AreaOne Ministries, will serve as camp host and additional speaker. As chief architect of the camps, Kiley’s passion is to see you and your students encouraged in the Lord and will be available during the week if you need anything.

WORSHIP LEADERS

Even though lead singer Lance Stafford’s voice has a striking resemblance to Third Day’s Mac Powell, Cloverton’s new song “Take Me Into The Beautiful” offers a unique sound that paints a picture of what it’s like to truly be in God’s presence.

“(The song) is based out of scripture when Moses spent time with God on the mountain, and afterwards, he had to wear a veil because his face shined so brightly,” explains Lance. “It’s an idea of being in the presence of God, and recognizing him moving and active around us. We read about in scripture but it still happens today. It’s a beautiful thing.”

Lance grew up in a musical family, but being a full-time musician and performer did not come naturally. He battled stage fright and pursued music more as a hobby rather than a career choice in college. After graduating, Lance (lead singer and piano) joined back up with his worship band from his local church which included his twin brother Layne (bass guitar), Tim Brantl (lead guitar), Matt Brown (rhythm guitar) and Kirby LeMoine (drums) to form Cloverton.

Cloverton’s first break came from a secret entry by Lance into Embassy Music’s Talent Search, where Lance performed by himself and won regional songwriting and performance categories enabling the band to earn studio time with producers in Nashville, Tennessee. Cloverton’s first EP album Take Me Into The Beautiful released in 2009, and they had the opportunity to open for Casting Crowns on the K-LOVE Friends and Family Music Cruise in 2011.
